# Addendum Purpose and Changes

---

## **Purpose**

---

This addendum documents and corrects identified errors in the 2024-2025 catalog. The revised information supersedes the previous publication and should be referenced to ensure correct courses and/or credit amounts are taken in pursuit of the degrees and certificates included.

## **Changes**

---

The following information details all of the changes included in this document.

### **Respiratory Therapy Associate in Applied Science -Transfer (AAS-T)**

Reason for update: Degree was approved after catalog publication.

# Degree & Certificate Requirements

## Respiratory Therapy Associate in Applied Science - Transfer (AAS-T) Transfer Degree 2024-2025 Degree Requirements

### Major Courses

Course Number	Course Title	Credits	Qtr. Completed	Comments / Substitution
RT 101	Fundamentals of Respiratory Care I [RE]	6
